Morristown NJ

In 1961 Rene Dreyfus donated a trophy cup to NNJR. This coveted cup is the award for the most prestigious rally of the NNJR season. The 1st place rallyist gets to hold the cup for one year. Rene Dreyfus was a French driver who won the Grand Prix of Monaco, drove the Indy 500, Le Mans, Sebring, etc. He drove a private Bugatti, beating the highly regarded Bugatti team. He won 26 races in his career. He also owned "Le Chanteclair" in New York, which was the meeting place for the world's most famous racing drivers.

This will be a gimmick type rally, continuing our successful family friendly event format. All family & friends can participate without restrictions regarding age or number of people in the car. HOWEVER – in order to qualify to claim the cup you must be driving a Porsche and driver and navigator must be NNJR members. Non-members and non-Porsche drivers are encouraged to attend and join the fun.

\$55 per car load gets you in. Meet other drivers looking for a fun ride in the country, answer joke questions, followed by a feast (included in entry fee) and trophy awards at [The Publick House](#), Chester, NJ
