

## NNJR / MOR Track Pack

Mid-Ohio

Friday, May 20 – Sunday, May 22, 2022

### Welcome to the NNJR / MOR Driver Education at Mid-Ohio

YOU ARE RESPONSIBLE FOR KNOWING THE INFORMATION IN THIS PACKAGE. PLEASE READ, PRINT AND BRING A COPY OF THIS PACKAGE TO THE TRACK (COPIES WILL NOT BE AVAILABLE AT THE TRACK).

Run groups, event schedules, and track map, are included.

#### EVENT SPECIFIC INFORMATION

##### *Arrival at Track*

The track becomes available to us after 5 PM on Thursday, May 19 and we must vacate it by 6:30 PM on Sunday, May 22. Please do not arrive prior to 5 PM.

##### *Tech Inspections*

**Note:** Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, Instructors must submit proof of their annual professional tech inspection, which should be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the track-side tech inspection. The form is available here:

<https://nnjr-pca.com/wp-content/uploads/2022/02/2022-track-tech-form.pdf>

We will hold a tech inspection on Thursday afternoon in the Cooper Tire Garage from 5:00 to 7:00 PM. There will be a tech on Friday morning 6:30 to 7:30 AM for those who did not arrive in time on Thursday. We will no longer require additional Tech inspections for the following day unless your car requires additional services as specified by the Tech team. Anyone requiring an additional tech or missing a tech session may arrange that with the tech steward.

Garages have been reserved and paid for in advance. The space immediately behind each garage is by custom reserved for that garage. **If you do not have a garage please do not park in the first paddock "row" behind the garages.** Those who ignore this request will be politely asked to move.

Camping is allowed; those with RVs and campers must pay an additional fee. Some electric power is available in the paddock; please contact the track in advance to arrange.

##### *Attire*

Long pants, preferably a natural fiber such as cotton, are required, as are closed-toed, rubber soled tie shoes. Long sleeves are recommended, short sleeves are allowed.

We will have coffee and doughnuts in garage 7 at 7AM each morning. The food stand will be open for lunch Fri, Sat, & Sun from approximately 10AM to 2PM.

While permitted in other areas of the paddock, you are responsible to ensure that all proper safety gear is worn, in compliance with state law.
