

# NNJR Track Pack

Lime Rock Park - 2022  
Monday August 1<sup>st</sup> and Tuesday August 2<sup>nd</sup>

## Welcome to NNJR Driver Education at Lime Rock Park

YOU ARE RESPONSIBLE FOR KNOWING ALL OF THE INFORMATION IN THIS PACKAGE.

PLEASE READ, PRINT AND BRING A COPY OF THIS PACKAGE TO THE TRACK (COPIES WILL NOT BE AVAILABLE AT THE TRACK).

### *Registration, Waivers and Crew Members*

All entrants to the track, drivers and guests, must register and sign the NNJR and Lime Rock waiver. Registration will be set up in the paddock area. NNJR will issue color-coded wrist bands to drivers based on run group, with silver bands issued to crew members. Lime Rock will also issue a wrist band to all.

Run groups, event schedules, track map, and work assignments are included.

## Track Pack Table of Contents

Track Logistics.....	1
Tech Inspections.....	2
Event Safety Rules.....	3
Driving Lime Rock.....	3
Event Officials.....	4
All Drivers And Run Groups.....	5
Track Map.....	6
Monday Schedule.....	7
Tuesday Schedule.....	8

## Track Logistics

### *Address*

60 White Hollow Road, Lakeville, CT 06039

### *Arrival at Track*

The track becomes available to us at 4:00pm on Sunday June 13th for trailer drop off. Arrive promptly, as **we are required to vacate the track by 6:00pm**. Tech & Registration will be from 4:15 -5:45pm.

### *Noise Restrictions*

Lime Rock has a strict noise limitation standard of 88 dBA for all Porsche Clubs. Vehicles with noise measured above this level will be black flagged and given a chance to make modifications to reduce noise. Anyone receiving two black flags for noise in one day will be prohibited from running for the remainder of the event.

## NNJR Track Pack

Lime Rock Park - 2022

Monday August 1<sup>st</sup> and Tuesday August 2<sup>nd</sup>

### *Safety*

Open cars must have a fixed roll bar. Lime Rock does not permit cabriolets that have deployable roll bars. Roll bars must be of sufficient height to pass the "broomstick" test.

### *Garages and Camping*

There are no garages, and camping is not permitted.

### *Food*

LRP concession stands will be open both days for breakfast and lunch.

### *Fuel*

Both race and street fuel will be available.

### *Bikes, Scooters, and Skateboards*

These "vehicles" are not permitted in pit lane nor in the paddock where cars are entering or leaving the track or where tech inspection is being held. While permitted in other areas of the paddock, you are responsible to ensure that all proper safety gear is worn, in compliance with state law. Please inform anyone attending with you, especially children, to remain clear of prohibited areas and to exercise caution.

### *Paddock Jack Rules*

Do NOT jack or place any jack stands on the asphalt. You must use wood or metal underneath any jack or jack stand.

### *Please Note:*

Lime Rock strongly advised that all participants disable On Star or any Crash Notification System that their vehicle may have. This is only if they're using a vehicle with these features while out on track. This will prevent the activation of 911 and prevent the activation of unnecessary resources from outside emergency services.

## Tech Inspections

### *Tech Inspections*

**Note:** Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, Instructors must submit proof of their annual professional tech inspection, which should be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the track-side tech inspection. The form is available here:

<https://nnjr-pca.com/wp-content/uploads/2022/02/2022-track-tech-form.pdf>

We will hold a tech inspection on Sunday night from 4:15pm to 5:45pm. For those arriving Monday morning, we will also hold tech beginning at 6:45am and concluding no later than 7:45am. We will no longer require additional Tech inspections for the following day unless your car requires additional services as specified by the Tech team. Anyone requiring an additional tech or missing a tech session may arrange that with the tech steward.

# NNJR Track Pack

Lime Rock Park - 2022

Monday August 1<sup>st</sup> and Tuesday August 2<sup>nd</sup>

## *A Note on Car Numbers*

You must provide numbers and apply them to your car prior to entering the tech line. Numbers do not need to be fancy: one-inch blue painters masking tape works well on light colored cars. Door numbers should be at least six inches high and appear on both the driver and passenger side of the car. Front and rear numbers must be at least 4 inches high. **You must use the car number assigned to you as shown in this track pack.**

## Event Safety Rules

SAFETY IS OUR PRIMARY CONCERN THROUGHOUT THE EVENT - Anyone deemed to be conducting themselves or their vehicle in an unsafe manner, either on or off the track, is subject to suspension for the balance of the event.

NO ALCOHOLIC BEVERAGES OF ANY TYPE may be consumed by any person until the driving schedule has been completed and the track is shut down. The use of any ILLEGAL OR REFLEX AFFECTING DRUGS IS STRICTLY PROHIBITED.

## Driving Lime Rock

In preparation for the upcoming Lime Rock DE event, "trackside classrooms" are now available to watch on YouTube at your convenience. Both video classrooms include a Turn by Turn discussion of Lime Rock. You are strongly encouraged to watch the appropriate session. We hope to have time on the Lime Rock schedule for discussion and questions: the presentations themselves will not be repeated at the track.

- **Students:** Smoothness plus Lime Rock Turn by Turn <https://youtu.be/c2Dekhbg-8Y>
  - Slides: <https://bit.ly/3PlnbCw>
- **Advanced Drivers:** Car Control and "Feel" plus Lime Rock Turn by Turn <https://youtu.be/UPiHEclzSPs>
  - Slides: <https://bit.ly/3B7Wf4K>
  - Lime Rock Sensory Input Worksheets including Advanced Topics <https://bit.ly/3B0dpBd>
- Lime Rock video: [nnjr-pca.com/driver-ed/](http://nnjr-pca.com/driver-ed/) Go to Turn by Turn section.
- Lime Rock Turn by Turn slides: <https://bit.ly/3PBJun0>
- All drivers: Track Map for your notes (print out several) <https://bit.ly/3uZ9GQu>
- Your First DE? Learn what to expect
  - Short in-car demonstration Video <https://youtu.be/10Ppl8pjfDk> (at Lightning but the instruction process is the same)

If you have questions or comments on any of this material, please email Bill Gilbert: [gilbert4@rcn.com](mailto:gilbert4@rcn.com).
