

"Pine Barrens Off-Road Excursion"

Sunday November 13, 2022

Sponsored BY Paul Miller Porsche

If you own a Cayenne, Macan, SUV/Truck/Jeep, Track Car Tow Vehicle or any vehicle with 4 wheel drive, this is the event for you. Come experience the 'off-road' trails of the beautiful New Jersey Pine Barrens in a safe and family friendly venue. This event has no age restrictions, so bring the entire family. Children 5 and under are free. The organizers have built a route that will give you a 'true off-road experience'. On-site Registration opens at 9 am for breakfast and driver meeting. At 10 am we will head out for the morning trek that will run approximately 2-1/2 hours, this will include a stop at the Historic Whitesbog Village, birthplace of the international commercial Blueberry Industry, where you will have time to visit the cranberry bogs, old time General Store and listen to a live performance of the Accidental Jug Band. We will then break 1 hour for a gourmet lunch. While at lunch the organizers will hold a raffle with some great prizes, with a Pine Barrens flare. After lunch we will make a short trek to an area we call the "sand pit". Let your imagination ponder what is in store for you there. Event is open to all NNJR members as well as other PCA Regions and non-members. **The only requirements are that your vehicle has 4 wheel drive and four inches of ground clearance. Registration will close once 50 entries (100 individuals) are received. The past five years have been sold out so register early.**
