

NNJR Track Pack

Summit Point Circuit

Monday, August 15 & Tuesday, August 16, 2022

Welcome to NNJR Driver Education at Summit Point

YOU ARE RESPONSIBLE FOR KNOWING ALL OF THE INFORMATION IN THIS PACKAGE.

PLEASE READ, PRINT AND BRING A COPY OF THIS PACKAGE TO THE TRACK (COPIES WILL NOT BE AVAILABLE AT THE TRACK).

NNJR Drivers Education will afford you the opportunity to develop your driving skills in the relatively safe environment of a race track. IT IS NOT A RACING SCHOOL, NOR IS IT PRACTICE FOR RACING. All drivers are expected to drive well within their capabilities and be courteous and respectful of others. Drivers who appear, to an event official, to be pushing too hard or driving in an unsafe manner, will be black flagged and will lose track time. Aggressive Driving will not be tolerated.

Registration, Waivers and Crew Members

All entrants to the track, drivers, crew members, and guests, must register and sign the NNJR and Summit Point waiver. Registration will be set up in the paddock area. NNJR will issue color-coded wrist bands to drivers based on run group, with silver bands issued to crew members. Summit Point will also issue a wrist band to all.

Track Logistics

Address

201 Motorsports Park Cir, Summit Point, WV 25446

Track Arrival

The track becomes available to us at 7PM on Sunday, August 14 for trailer drop off. You will not be admitted prior to 7PM. Some volunteers are allowed to enter early to help set-up for Tech... If you see them entering the gates, do not attempt to get in early.

Camping

Overnight stays in the paddock is allowed. Ground fires and campfires are NOT permitted. Grills and raised or contained fire receptacles must be used in a safe manner and be contained in designated areas. Electric power hookups are available for purchase: ask at the entrance gate.

Food

The concession stand will be open for food service. Water and Ice will be available for sale

Fuel

Race fuel plus 93 octane will be available at the pumps.

Sound Level Limits

The sound level limit for all vehicles is 103dB, measured 50ft from the centerline of the track.

Quiet Time

Race engines and other loud vehicles are not permitted to operate from 7:00 PM to 7:00 AM.

Paddock and Parking

Speed limit in the paddock is "walking speed" at all times. Pit bikes, ATVs and similar vehicle use

NNJR Track Pack

Summit Point Circuit

Monday, August 15 & Tuesday, August 16, 2022

is prohibited outside of the paddock. All operators must have a valid and immediately accessible license. No person under 16 is permitted to operate a motorized vehicle. Vehicles and equipment must be in designated paddock spaces, and not in fire lanes. One note: it should be obvious, but do not park in front of a trailer since the tow vehicle will be returning to that spot.

Safety

The speed limit on any and all access roads is 20 MPH. Minors (under age 18) are not allowed in the pit lane. Drone aircraft are expressly prohibited from use within the SP facility.

Bikes, Scooters, and Skateboards

Riding of these "vehicles" is only permitted in the paddock when the track "goes cold". Riders under 18 must wear protective headgear at all times in accordance with West Virginia state law. Please inform anyone attending with you, especially children, to remain clear of prohibited areas and to exercise caution.

Pets

All pets must be leashed. Pets are not allowed in any building, excluding service animals.

Paddock Jack Rules

Do NOT jack or place any jack stands on the asphalt. You must use wood or metal underneath any jack or jack stand.

Track Damage

Any car causing any damage to track facilities or equipment will be required to pay a predetermined amount of money immediately, or the amount of damage, whichever is greater.

Track Clean-Up

No car parts, tires, batteries, etc. may be left behind in the paddock. The track will charge a disposal fee which will be billed to the responsible participant. Fluid wastes must be placed in approved disposal containers located in various locations in the paddock and never on the ground.

Tech Inspections

At the Track Tech Inspection

We will hold a tech session at the track on Sunday evening beginning just after 7PM and concluding no later than 8:00PM. For those arriving Monday morning, tech will open shortly after 6:45AM and will close promptly at 7:45AM. Anyone missing a tech session must see the tech steward and will be tech'd at the steward's convenience. There will not be a tech on Tuesday, unless you wish to have your car checked: just ask the tech steward. If you have any doubt about your car's safety, ask to have it looked at.

Driving Summit Point

Driving Summit Point

In preparation for the upcoming Summit Point DE event, a “trackside classroom” is now available to watch on YouTube at your convenience. It includes a Turn by Turn discussion of Summit Point. You are strongly encouraged to watch it. We hope to have time on the Summit Point schedule for discussion and questions: the presentation itself will not be repeated at the track.

- How to Learn a New Track and Summit Point Turn by Turn: <https://youtu.be/33iaWGJRKHU>
- Updated (Current) Turn by Turn Slides: <https://nnjr-pca.com/wp-content/uploads/2022/08/220723-Summit-Point-Turn-by-Turn.pdf>
 - Note: the slides in the video are older and track markings are out of date; other info in the video is current.
- Summit Point Track Map (print out several for your notes): <https://speedsecrets.com/wp-content/uploads/2018/12/Summit-Point.pdf>
