

NNJR's 49th Annual Wine Tasting

Sunday, October 2, 2022 4:00pm

Paul Miller Porsche Showroom
3419 Route 46 East, Parsippany, NJ

*We continue our celebration of NNJR's Anniversary year
with a very special wine tasting...*

Our theme this year features varietals from a region as significant and prestigious as our 65th year milestone. A couple million years ago, the region was covered by the sea which created the limestone and marl soil composition responsible for the coveted minerality in the wines. The region's winemaking history dates back to around 50 BC, but it was the Benedictine and Cistercian monks that elevated the art of winemaking about a thousand years later.

Fast forward to today...wines from this region remain the most respected, notable and sought-after. White and Red grapes produce flavor notes including peach, apple, citrus, fresh herbs, raspberry, blackberry, cherry, and spices.

Please join your NNJR friends to explore the beauty and the bounty of ...

Les Vins de Bourgogne

Registration opens September 1st at
