Track Logistics

Address

1245 Pine Tree Road, Alton, VA 24520

VIR Rules

Please read the VIR visitor rules that are available here:

<http://virnow.com/about/policies/>

Arrival at Track

The track becomes available to us at 6:00PM on Thursday, October 27 for trailer drop off. If you arrive prior to 6:00PM, proceed to the Main Gate where you will take care of waivers and any camping fees for VIR. You will be directed to the South Paddock to stage until 6:00PM. You can arrive anytime after 2:00PM for the staging area. We will have 24 hour access to the track beginning on Thursday PM.

Instructor/Student Assignments

The instructor/student assignments will be sent out by Craig Mahon, NNJR registrar.

Tech Inspections

Note: All cars must complete a pre-event technical inspection at an authorized shop. Instructors may self tech. All drivers are required to complete and sign the pre-tech inspection form, which is available here:

<https://nnjr-pca.com/wp-content/uploads/2022/02/2022-track-tech-form.pdf>

NNJR Track Pack

Virginia International Raceway

Friday, October 28 through Sunday, October 30, 2022

There will be a tech inspection on Thursday night from roughly 6:00PM to 7:30PM. If you miss that, Friday AM tech will begin at 6:30AM and will complete by 7:30AM. There will be no tech session on Saturday or Sunday morning. Anyone missing a tech session must see the tech steward and will be tech'd at the steward's convenience

Camping and Garages

Camping is permitted but requires the purchase of a permit from VIR. Electric power hookups may be available. You may purchase camping permits, electric hookups, garage space, etc. at main gate registration.

Waivers and Guests

All entrants to the track, drivers and guests, must sign both VIR and NNJR waivers. NNJR will issue colored coded bands to drivers based on run group, with silver bands issued to guests.

Attire

Long pants, preferably a natural fiber such as cotton, are required, as are closed-toed, rubber soled tie shoes. Short sleeves are allowed except for those in race prepped cars.

Bikes, Scooters, and Skateboards

These "vehicles" are not permitted in pit lane nor in the paddock where cars are entering or leaving the track or where tech inspection is being held. While permitted in other areas of the paddock, you are responsible to ensure that all proper safety gear is worn, in compliance with state law. Please inform anyone attending with you, especially children, to remain clear of prohibited areas and to exercise caution.

Paddock Jack Rules

Do NOT jack or place any jack stands on the asphalt. You must use wood or metal underneath any jack or jack stand.

Parade Laps

If there is sufficient interest, we will have parade laps during lunch on Saturday. This is an opportunity to have guests experience the track, albeit at a modest pace. Tickets are \$20 per car, all proceeds go to charity. NNJR will be offering a special opportunity at this event only. For \$50, you may purchase a raffle ticket for our annual fundraiser and, at the same time, receive free entry to the parade laps. First prize for the raffle will be free entry to all NNJR events in 2023, second prize is free entry to six events. All monies collected benefit Cheshire Home, a NJ organization that provides round-the-clock nursing and personal care assistance is vital to the health and quality of life for individuals with spinal trauma.

Food

The VIR concession The Pagoda Grill will open Friday-Sunday 7am-2pm. The Oak Tree Tavern will open Thursday-Sunday 5-9pm.

NNJR Track Pack

Virginia International Raceway

Friday, October 28 through Sunday, October 30, 2022

Fuel

Fuel, both race and street, will be available at the pumps and paid for via credit card.

Fire Lanes in the Paddock

The fire lanes in the Paddock must remain open and clear at all times to facilitate the movement of EMS and tow vehicles. Please keep all vehicles and equipment, including awnings, EZ-Ups, etc. behind the yellow fire lane markings in the paddock. Security patrols will notify participants if they are in violation of this policy and require them to move equipment/vehicles immediately.
