EVENT SPECIFIC INFORMATION

Prior to arrival

Below is the link to the NNJR Speedwaiver that Mid-Ohio will be using this year for their track rental waivers. ALL ATTENDING MUST COMPLETE THE WAIVER. The confirmation text with photo will be required for gate entry and proof of waiver.

Arrival at Track

The track becomes available to us after 5 PM on Thursday, May 18 and we must vacate it by 6:30 PM on Sunday, May 21. Please do not arrive prior to 5 PM.

You MUST enter by Gate 1, not Gate 3 as in past years. Gate 1 is just passed Gate 3, if you are coming from town. If you arrive after 7:00pm on Thursday, use Gate 3

Tech Inspections

Note: Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, Instructors must submit proof of their annual professional tech inspection, which should be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the track-side tech inspection. The form is available here:

<https://nnjr-pca.com/wp-content/uploads/2023/01/2023-track-tech-form.pdf>

We will hold a tech inspection on Thursday afternoon in the Cooper Tire Garage from 5:30 to 7:00 PM. There will be a tech on Friday morning 6:30 to 7:20 AM for those who did not arrive in time on Thursday. We will no longer require additional Tech inspections for the following day unless your car requires additional services as specified by the Tech team. Anyone requiring an additional tech or missing a tech session may arrange that with the tech steward.

Garages have been reserved and paid for in advance. The space immediately behind each garage is by custom reserved for that garage. **If you do not have a garage please do not park in the first paddock "row" behind the garages.** Those who ignore this request will be politely asked to move.
