Arrival at Track

The track becomes available to us after 5 PM on Thursday, May 9 and we must vacate it by 6:30 PM on Sunday, May 21. Staging: Begins at 4:00pm at Gate 1.

Load-In: Begins no earlier than 5:00pm. If you arrive after 7:00pm on Thursday, use Gate 3

Tech Inspections

Note: Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, Instructors must submit proof of their annual professional tech inspection, which should be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the track-side tech inspection. The form is available here:

<https://nnjr-pca.com/wp-content/uploads/2024/01/2024-track-tech-form.pdf>

We will hold a tech inspection on Thursday afternoon in the Cooper Tire Garage from 5:30 to 6:45 PM. There will be a tech on Friday morning 6:30 to 7:30 AM for those who did not arrive in time on Thursday. We will no longer require additional Tech inspections for the following day unless your car requires additional services as specified by the Tech team. Anyone requiring an additional tech or missing a tech session may arrange that with the tech steward.
