NNJR Driver's Education is: Safe, Serious, Fun

Welcome to NNJR Driver Education at Watkins Glen

YOU ARE RESPONSIBLE FOR KNOWING ALL OF THE INFORMATION IN THIS PACKAGE.

PLEASE READ, PRINT AND BRING A COPY OF THIS PACKAGE TO THE TRACK (COPIES WILL <u>NOT</u> BE AVAILABLE AT THE TRACK).

NNJR Drivers Education will afford you the opportunity to develop your driving skills in the relatively safe environment of a race track. IT IS NOT A RACING SCHOOL, NOR IS IT PRACTICE FOR RACING. All drivers are expected to drive well within their capabilities and be courteous and respectful of others. Drivers who appear, to an event official, to be pushing too hard or driving in an unsafe manner, will be black flagged and will lose track time. Aggressive Driving will not be tolerated.

Registration, Waivers and Guests

All entrants to the track, drivers and crew members, must register and sign the NNJR and Watkins Glen waiver. Registration for WGI will be at Gate 2. NNJR Registration will be in the garages. NNJR will issue color-coded wrist bands to drivers based on run group, with silver bands issued to all non-drivers.

NNJR Driver's Education is: Safe, Serious, Fun

Track Logistics

Track Arrival
Watkins Glen Registration at Gate 2

NNJR Registration will be in the garages.

- All drivers please be prepared to show your valid driver's license.
- All those on premises must register, INCLUDING GUESTS

The track becomes available to us at 6PM on Thursday, Aug 14th for trailer drop off. You will not be admitted prior to 6PM, and you must not line up in front of entrance Gate 2. Some volunteers are allowed to enter early to help set-up for Tech... If you see them entering the gates, do not attempt to get in early.

Garages and Camping

Garages are available for rent. **DO NOT park in front of a garage space unless you have rented it. YOU WILL BE ASKED TO MOVE.** Overnight camping is permitted. Electric power hookups are available for purchase: ask at the entrance gate.

Food

Snack bar near the fuel pumps will be open all three days for lunch **Paul Miller Porsche Dinner at the Jack Daniels Club** Saturday evening 5:45pm -9:00pm

Fuel

Race fuel plus 93 octane will be available at the pumps. The pumps will be open from 8 AM to 3:30 PM.

Paddock Parking

Do not park in front of a trailer since the tow vehicle will be returning to that spot. **DO NOT park** in front of a garage space unless you have rented it. The space at the South end of the garages, by the Little Speed Shop, is reserved for Paul Miller Porsche – **DO NOT PARK THERE**.

Safety

The interior roads within the WG facility are public roads and are patrolled by local police. You must obey all local traffic rules. Drone aircraft are expressly prohibited from use within the WG facility.

Bikes, Scooters, and Skateboards

These "vehicles" are not permitted in pit lane nor in the paddock where cars are entering or leaving the track or where tech inspection is being held. While permitted in other areas of the paddock, you are responsible to ensure that all proper safety gear is worn, in compliance with state law. Please inform anyone attending with you, especially children, to remain clear of prohibited areas and to exercise caution.

Watkins Glen I August 15 - 17, 2025

NNJR Driver's Education is: Safe, Serious, Fun

Paddock Jack Rules

Do NOT jack or place any jack stands on the asphalt. You must use wood or metal underneath any jack or jack stand.

Track Damage

Any car causing any damage to track facilities or equipment will be required to pay a predetermined amount of money immediately, or the amount of damage, whichever is greater.

Track Clean-Up

No car parts, tires, batteries, etc. may be left behind in the paddock. The track will charge a disposal fee which will be billed to the responsible participant. Fluid wastes must be placed in approved disposal containers located in various locations in the paddock and never on the ground.

Tech Inspections

Pre-Event Tech Inspection is Required

Note: Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, instructors must submit proof of their annual professional tech inspection, which must be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the trackside tech inspection. The form is available here:

https://nnjr-pca.com/wp-content/uploads/2025/01/2025-track-tech-form.pdf

At the Track Tech Inspection

We will hold a tech session at the track on Thursday evening beginning just after 6PM and concluding no later than 7:30PM. For those arriving Friday morning, tech will open shortly after 6:30AM and will close promptly at 7:30AM. Anyone missing a tech session must see the tech steward and will be tech'd at the steward's convenience. There will not be a tech for Saturday or Sunday, unless you wish to have your car checked: just ask the tech steward. If you have any doubt about your car's safety, ask to have it looked at.

Car Numbers

You must provide numbers and apply them to your car prior to entering the tech line. Make sure you can read the number from 100' distance. You must use the number assigned to you as shown in this track pack.

Watkins Glen Passing Zones

- 1. Mandatory side to pass in most passing zones: All Groups
- 2. Run groups with Expanded Passing may pass anywhere with a signal except the Esses

In preparation for the upcoming Watkins Glen DE event, "trackside classrooms" are now available to watch on YouTube at your convenience. Plus video Turn by Turn discussions of Watkins Glen. You are strongly encouraged to watch the appropriate classroom session. We hope to have time on the Watkins Glen schedule for classroom discussion and questions: the presentations themselves will <u>not</u> be repeated at the track.
