

NNJR Track Pack

NJMP Lightning 2

Saturday, October 4 and Sunday, October 5, 2025

NNJR Driver's Education is:

Safe, Serious, Fun

Welcome to the NNJR Driver Education at NJMP Lightning

YOU ARE RESPONSIBLE FOR KNOWING ALL OF THE INFORMATION IN THIS PACKAGE.

PLEASE READ, PRINT AND BRING A COPY OF THIS PACKAGE TO THE TRACK
(COPIES WILL NOT BE AVAILABLE AT THE TRACK).

Registration, Waivers and Crew Members

All entrants to the track, drivers and crew members, must register and sign the NNJR waiver. Registration will be set up in the paddock area. NNJR will issue color-coded wrist bands to drivers based on run group, with silver bands issued to crew members.

Run groups, event schedules, track map, and work assignments are included.

Track Logistics

Address

8000 Dividing Creek Rd, Millville, NJ 08332

Arrival at Track

The track becomes available to us at 7PM on Friday, Oct. 3rd for trailer drop off. If the Tech Crew finds they are able to get some cars tech'ed on Friday evening they will try to do that.

Camping

Electrical hook-up and camping permits can be purchased at the main gate upon entry. Anyone wanting to purchase camping or electric must do so at the main gate upon entry.

Tech Inspections

Note: Prior to the event, all cars must complete a technical inspection at an authorized shop or dealer. Instructors may self tech. However, Instructors must submit proof of their annual professional tech inspection, which should be done at the beginning of the season.

All drivers are required to complete and sign the pre-tech inspection form and bring it to the track-side tech inspection. The form is available here:

<https://nnjr-pca.com/wp-content/uploads/2025/01/2025-track-tech-form.pdf>

NNJR Track Pack

NJMP Lightning 2

Saturday, October 4 and Sunday, October 5, 2025

NNJR Driver's Education is:

Safe, Serious, Fun

We will hold tech on Saturday beginning at 7:10AM and concluding no later than 8:10AM. We will no longer require additional Tech inspections for the following day unless your car requires additional services as specified by the Tech team. Anyone requiring an additional tech or missing a tech session may arrange that with the tech steward.

Safety

NJ State motor vehicle regulations require full face helmets.

Garages and Camping

There are no garages at Lightning. Camping is allowed but permits must be purchased from NJMP (go to the building next to the entry gate).

Food

Finish Line Pub will offer takeout service via **TOAST take out app** or have inside/outside dining following capacity limits. The Lightning concession stand offers vending machines.

Fuel and Tires

Fuel, both race and street, will be available. NJMP's Tire & Tech Center powered by TK Autosports is now open. Located in the last Events Garages at Thunderbolt Raceway, the Center will service cars and motorcycles.

Attire

Long pants, preferably a natural fiber such as cotton, are required, as are closed-toed, rubber soled tie shoes. Short sleeves are allowed.

Bikes, Scooters, and Skateboards

These "vehicles" are not permitted in pit lane nor in the paddock where cars are entering or leaving the track or where tech inspection is being held. While permitted in other areas of the paddock, you are responsible to ensure that all proper safety gear is worn, in compliance with state law. Please inform anyone attending with you, especially children, to remain clear of prohibited areas and to exercise caution.

Paddock Jack Rules

Do NOT jack or place any jack stands on the asphalt. You must use wood or metal underneath any jack or jack stand.

Driving Lightning

In preparation for the upcoming Lightning 2 DE event, “trackside classrooms” are now available to watch on YouTube at your convenience. Plus a video Turn by Turn discussion of Lightning. You are strongly encouraged to watch the appropriate session. We hope to have time on the Lightning 2 schedule for classroom discussion and questions: the presentations themselves will not be repeated at the track.

- **Students:** Situational Awareness https://youtu.be/k2tgn7LT_M
 - Slides (used in video): <https://nnjr-pca.com/wp-content/uploads/2024/04/Students-Situational-Awareness.pdf>
- **Advanced Drivers:** Finding the Limit Safely <https://youtu.be/EYfFFCksrgw>
 - Slides: <https://nnjr-pca.com/wp-content/uploads/2024/08/Driving-at-the-Limit-for-Advanced-Drivers.pdf>
- **Lightning Turn by Turn**
 - Descriptive video: <https://youtu.be/wA-HGfi7OQQ>
 - Slides (used in video): <https://nnjr-pca.com/wp-content/uploads/2021/04/210408-Lightning-Turn-by-Turn.pdf>
- All drivers: Track Map for your notes (print several) <https://speedsecrets.com/wp-content/uploads/2018/12/NJMP-Lightning.pdf>
- Your First DE? Learn what to expect
 - Short in-car demonstration Video <https://youtu.be/10Ppl8pjfDk>

If you have questions or comments on any of this material, please email Bill Gilbert: gilbert4@rcn.com.

Thank you for joining us at Lightning. We look forward to seeing you at the track!
