Porscheforum advertising ends the year 2025 with both highs and lows.

Although we have not yet seen a signed agreement or payment, two vendors have indicated they intend to advertise in Porscheforum beginning in January 2026. One vendor will be returning to Porscheforum after they stopped advertising back around 2010. Another shop is in the process of upgrading their old ad with hopes of it being ready for the January 2026 digital publication. The other vendor is Sound Waves and we are waiting on them to submit their ad and payment.

- One dealership has made no payment all year for their ad.
- One vendor has not made a payment for the end of year 2024 and all of 2025. Their ad has been suspended.
- One vendor owes three quarterly payments.
- One vendor owes two quarterly payments.
